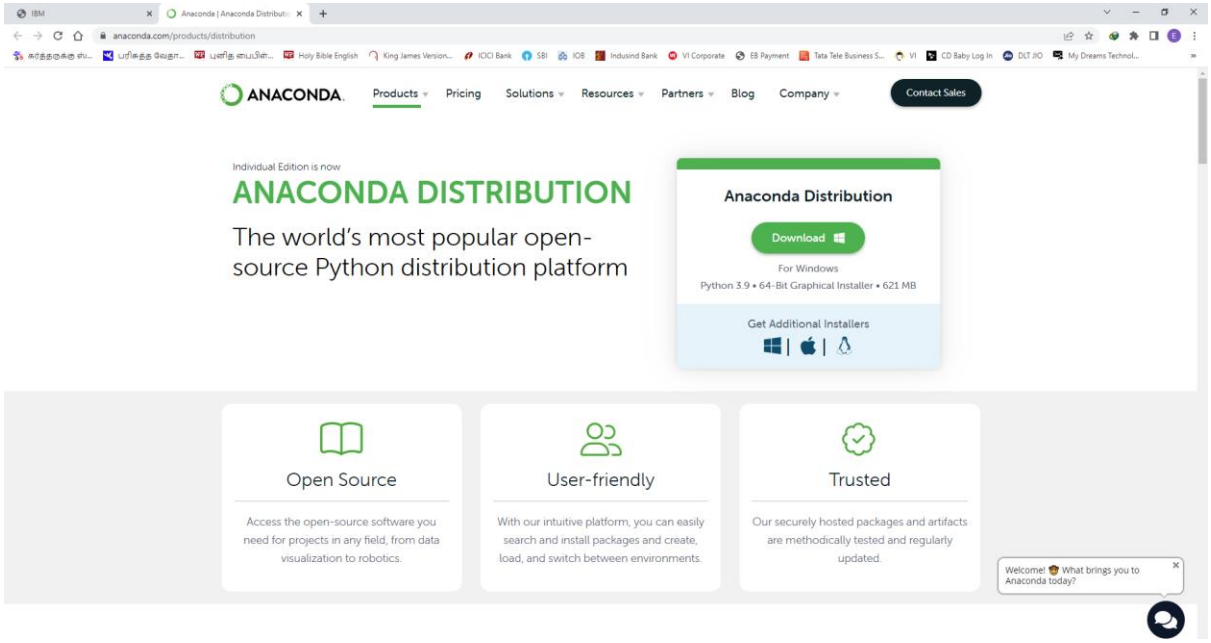
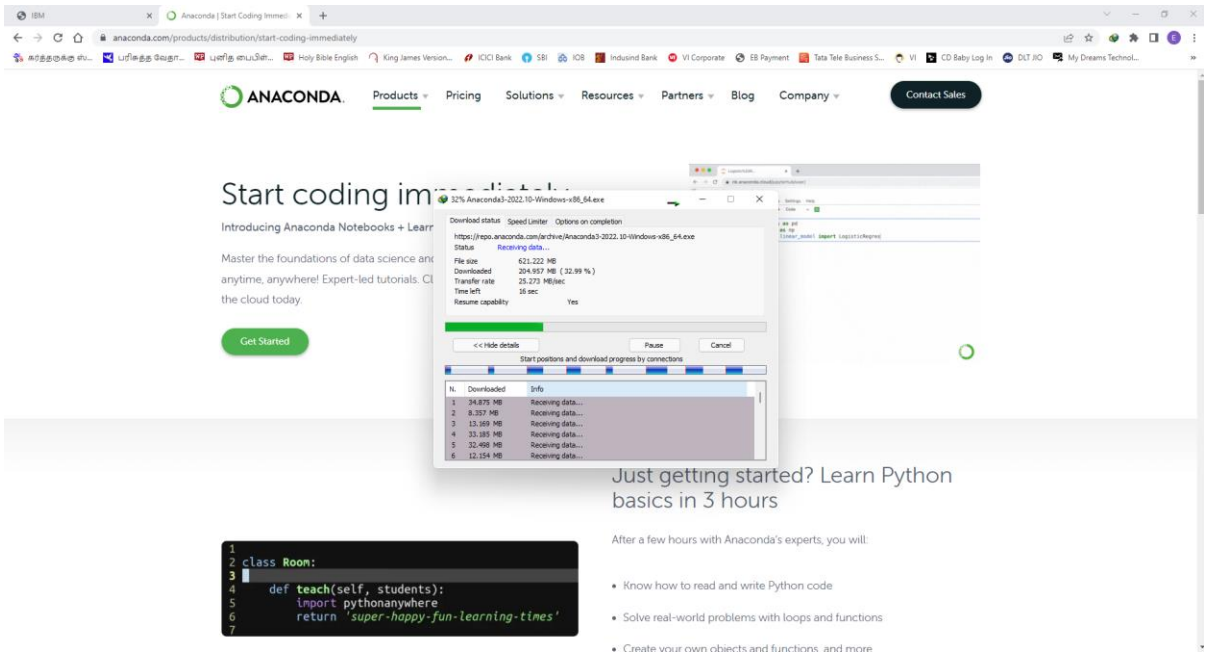
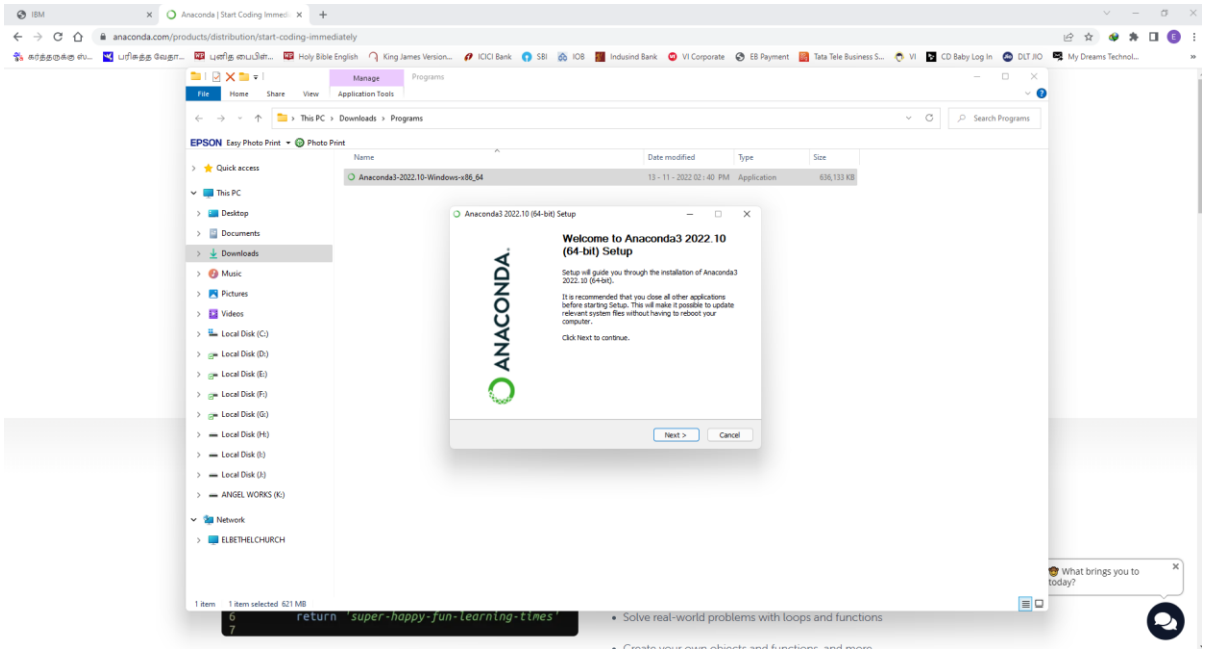
PRE REQUISITES

Team ID	PNT2022TMID34839
Project Name	University Admit Eligibility Predictor

INSTALLATION OF ANACONDA:







Welcome to Anaconda3 2022.10 (64-bit) Setup
Setup will guide you through the installation of Anaconda3 2022.10 (64-bit).
It is recommended that you close all other applications before starting Setup. This will make it possible to update relevant system files without having to reboot your computer.
Click Next to continue.

If not installed use the following
Open anaconda prompt as administrator.
Type "pip install numpy" and click enter.
Type "pip install pandas" and click enter.
Type "pip install matplotlib" and click enter.
Type "pip install scikit-learn" and click enter.
Type "pip install Flask" and click enter.
The above steps allow you to install the packages in the anaconda environment
